Dear Mike and Morris:

I am writing to you on behalf of Ivy and myself for such a wonderful job you did for her Bat Mitzvah. Many guests have commented on how FABULOUS the DJ team was and how you truly made the night. The girls danced and danced and the parents also could not believe how much fun they had.

Having been in the production business for many years I am very impressed with how professional, organized and talented you are. You made everything run so smoothly with out a worry for us.

I hope I get a chance to work with you again.

Kindest,

Katherine Jeans
